

Mick Arias

Student

Profile

A passionate Java and Web developer with the willingness to learn, adapt, and move forward with a well thought out solution. Will bring a new perspective to a team as well as a friendly and motivated personality.

Employment History

Shift Manger at Carl's, Jr. StarCorp LLC, Mesa. AZ

December 2016 — September 2019

As a Shift Manager my responsibilities were keeping track of inventory, working very well with time restrictions, managing co-workers as well as properly communicating with customers to solve issues.

Courses

Full-Stack Web Development, UofA from Trilogy

July 2019 — September 2019

Computer Science 110 (Java), Mesa Community College

September 2019 — September 2019
